PAN Banquet - There is still time to attend. We are encouraging local coin clubs to invite enough club members to have their own club table at this fine event. Some of the clubs have done so.

Retired U.S. Mint 12th Chief Engraver John Mercanti will be our guest speaker. He has always presented wonderful topics in the past at our conventions. This time his focus will be some of the inside stories of his many years at the U.S. Mint culminating with the honor of his personal involvement in the creation of the American Silver Eagle Coin. The 30th anniversary of this significant coin is the theme of our 2016 Coin Show.

PAN is also delighted to present at the banquet our Dealer of the Year Award to Alan Stullenbarger. Alan is the founder of CoinZip.com and has taken a very active role in supporting PAN for the last few years. He has promoted PAN on his coin information website. He is the creator and facilitator of our PAN Auctions that has steadily increased in popularity. His website skills have been incorporated in our own PAN website. We are proud to have him as part of our PAN family.

The beautiful LeMont restaurant on Pittsburgh's Mount Washington has plenty of room for us. The city view is spectacular. There is valet parking or a very large open lot across the street.

The service and cuisine are exquisite. Menu choices include Fillet Mignon, Salmon, Crab Cakes, and Chicken Bruschetta.

The Clarion - Fall issue mailed Our journal was mailed out to all PAN Regular Members last week. It is 60 pages with the feature article about the Carnegie Hero Medal. PAN member Matt Campbell was fortunate to purchase a very early silver version of this beautiful award on Ebay. The medal was sent to NGC to be graded and it is the only silver one that they have ever received. The reverse was inscribed with the name Ivah Coles.

Matt did some research with the help of the Carnegie Hero Commission and uncovered the story behind the award recipient. This rare silver Carnegie Hero Medal will be on display at the PAN show. The complete story of the medal discovery, Ivah Coles, and the recognition ceremony that took place in a small town in Macoupin County, IL is a seven-page article in this issue of the Clarion. Join PAN to receive a copy.

1/10th oz American Gold Coin drawing at the PAN Fall coin Show

PAN does not charge admission to enter our coin show. Many of the larger shows now have an admission fee. You can help us quite a bit if you buy one or more of the gold drawing tickets as you register to come into the show. You do not need to be present to win. The costs associated with putting on this size of an event are very large. PAN does not have paid staff or administration fees. All of the money we raise goes directly back into promoting numismatics. There are expenses with bringing in guest speakers, KidZone prizes, journal expenses, that are not completely covered by dealer table fees and member dues. We appreciate your support!

PANeNEWS wins Outstanding Electronic Numismatic Publication award We had a very nice surprise at the Summer ANA World's Fair of Money this past August. PAN President Tom Uram was on hand to receive the first place recognition certificate. This was a great honor for PAN. We hope to continue to publish our eNEWS with the same quality as we move into the future. Thank you to the ANA and the judges that viewed all the worthy electronic publications.

The Pennsylvania Association of Numismatists (PAN) is conducting an online auction that is live now. CoinZip.com is running the mechanics of the auction and donating their time to PAN. The 10% buyer's fee will all go directly to PAN. There is no seller's fee. The interest has been active with a lot of collectors. All of the lots are affordable collector type of numismatic items. The auction includes a wide variety of lots that have a broad appeal. New lots are placed weekly. Auction lots can be accessed on-line from the PAN website Auction Page or on the CoinZip.com website. Click the PAN Auctions Icon. www.pancoins.org PAN invites you to have a look at the items in the auction. Lots will be set up for viewing at the PAN October 27th – 28th Fall Coin Show. The bidding ends at 5:00pm Friday October 28th. Winning lots will be mailed or available for pick up on Saturday October 29th to save shipping!

RANDOM NOTES ABOUT THE PAN FALL COIN SHOW

ANACS and SEGS will both have tables at the show. Be sure to bring in some of your best coins to be authenticated and graded. This practice is always a must for gold coinage. Counterfeit gold is a major problem in the numismatic marketplace today.

The **PANKidZone** will have free PAN Logo **t-shirts** for all the kids. If you wear it we will give you three PAN dollars to use in the auction. The kid's are one of our best PAN promoters and we appreciate that!

Collector Exhibit Area will have a seven case ANA award winning exhibit of all 30 years of the American Silver Eagle coins produced since the start of the program in 1986. Don't forget to get your free chance ticket for the Silver Eagle give-a-way offered multiple times for all three show days. See Chairman Tom Corey for details. Browse through the many exhibits and vote for your favorite!

The **Burns Numismatic Reference Library** will be set up in the back educational area of the show floor. The books are meant to be used only during the show and are not to be taken out of the area. This is a great spot to sit, relax, and read.

There will be a section in the back education area devoted to a **Numismatic Book Sale** of out of print numismatic books at very reasonable prices.

Four tables of **Numismatic Supplies** will be set up and run by Mike Juskewycz. All serious collectors need a good magnifier and proper inert holders. Mike has everything that you need.
