

A Message from the President

Dear PAN members and friends,

It's been an exciting year! Our Spring Show brought to light the story of the '1933 Double Eagle'. This brought our organization a lot of national press. We really appreciate the Newman Portal. The Portal was instrumental in procuring the services of David Lisot who video-graphed for the archives the shows proceedings.

PAN was the host club for the ANA's Worlds Fair of Money held in Philadelphia - a super event! We thank all of our chair people and volunteers who ventured to the "City of Brotherly Love". It was a huge success.

Did you know PAN is celebrating its 40th Anniversary? I would like to congratulate all those volunteers and the leadership who made the organization and set the course years ago. We continue to grow and expand. Just like in the past, we continue the mission of education and providing a numismatic experience for all collectors.

As in the past, we have been able to keep our 'no tax' status in Pennsylvania. This is always a challenge. As recently as two years ago, we were faced with legislation that nearly hit the floor of the Pennsylvania House. We teamed up with ICTA to assist in defusing this legislation but it was literally hours away from happening. I tell you this because the organization and leadership are saving dealers and collectors ten of thousands of dollars and we are volunteers. We can only continue with your financial support. Every dealer at minimum should be a member of ICTA. What they are providing in legislative assistance is invaluable not to mention the anti-counterfeiting task force. You will hear much more about this serious situation.

So, in our 40th Anniversary "Ruby", I would ask that you consider supporting PAN with a \$40.00 patron ad. We will list your name as a 40th Anniversary "Ruby" supporter.

Thanks so much for being part of the PAN family!

*Thomas Uram,
PAN President*
