

Burns Library Book Donation

Author John Highfill donated a copy of his two-volume set of The Comprehensive U.S. Silver Dollar Encyclopedia. The 2017 latest edition is 1,566 pages of images, charts, graphs and information covering the early Flowing Hair coins, Draped Bust, Gobrect, Seated Liberty, Morgan, Trade and ending with the Peace Dollar series.

John Highfill (past National Silver Dollar Roundtable President) and his wife Marlene (current NSDR Secretary) are often seen manning the National Silver Dollar Roundtable booth at the major national coin shows across the country. NMS show was no exception. Their booth was next to the Burns Library at the National Money Show. They were both impressed with the traveling library concept that offers a space to sit, relax and browse through the 400+ volumes of numismatic books during the coin show.

John Highfill is also an ANA Governor and is currently running for re-election. His book is available for sale through Amazon, Barnes and Noble, eBay Books. It is also available in digital form. For more information email: oklahomacoin@cox.net
