CALL, EMAIL OR WRITE YOUR U.S. CONGRESSPERSON

COMMEMORATIVE COIN PROGRAM - This legislation, H.R. 3757, will require the United States Mint to produce two U.S. Silver Dollars (Morgan and Peace) dated 2021.

COIN DESIGNS - The U.S. Mint will once again create the 1921 Morgan Dollar and the 1921 Peace Dollar. These two silver dollars will be minted from the original design work of George T. Morgan and Anthony de Francisci. The only change will be the date to 2021.

METAL CONTENT - The coins will be not less than 90% silver.

COIN SIZES - They will be as the original sized silver dollars in uncirculated and proof finishes.

COST - The pricing has yet to be determined. **40% of the surcharges will go back to numismatics** through the American Numismatic Association as directed by law. Since the restart of the Mint's commemorative coin program in 1982 coin surcharges have supported many worthy causes and projects. This will be the first time that the surcharge funds will be used to support numismatics.
