### PANeNEWS

May 2022 Vol. X Issue 1

PAN

75 East Maiden St Suite 208  
Washington PA 15301

This PANeNEWS is the first issue to go out in more than a year. My apologies to you, kind subscribers. You may rest assured knowing that PAN will not clog your email with relentless spam.

It seems that I, as publisher/editor of the PANeNEWS, have been putting quite a bit of time into developing my Ben Franklin re-enacting role along with all my other PAN duties thus the newsletter hiatus.

There is a strange irony in Ben Franklin not writing and publishing, so I have decided to correct this anomaly and make an effort to get back into my newsletter role in 2022. My hope is that you will follow along for the numismatic ride.

**Dealer Corner** - This show is a sellout. The coin market is hot right now. Please notify Ed Hammond 607-368-2617 or Blaine Shiff 412-531-4100 with any questions or concerns.

**The bourse floor plan** is posted to our website. Take a look to see where you will be located. Most everyone is in their usual spots. We will always try to move dealers to a better location if we can. The sooner we know who is attending then the better we are able to design the final floor plan.

**Dealer set up day** starts on Wednesday, May 18 at 3:00pm (not before).

No dealers will be allowed onto the show floor before that time unless special arrangements are made. You are welcome to come into the loading dock man door to register and get your badges before 3:00pm and wait in the dock area. We make personal badges for the PAN show. Email us with any updates. All early dealers will need to pay the \$50 one-time early bird fee even if they are "on your table" and will not be permitted onto the floor until 4:00 pm Wednesday. Table helpers are a different category and stay at the dealer table for a majority of the show. PAN is trying to be fair to the many early birds that pay the fee and abide by our guidelines.

After you are registered, you will have an option of **three entry points** to the show floor depending on you table location. They are: **1)** the loading dock **2)** the front entrance **3)** the front parking lot corner double man doors. These three access points will make entry faster and more efficient for everyone. Please unload your vehicles and promptly park them to allow others to have access to these entry points, especially the loading dock.

**Dealer set-up continues** again on Thursday May 19<sup>th</sup> from 8:00am until 12noon sharp. The public enters at noon. PAN members are allowed to enter the show floor an hour earlier at 11:00am.

**Early Bird Dealers** will be permitted onto the show floor starting on Wednesday at **4:00pm, but not before**. We must give the booth holders a chance to get in and set up. We will be enforcing this rule so please make your travel plans accordingly. We will make you a personalized badge if you pre-register. Go to our website Dealer tab.

All pertinent dealer information is on our website **Dealer Info** tab.

<https://pancoins.org/dealer-info/>

Our goal is to make the show as easy for our dealers as possible. We understand the expense, risks, and anxiety that comes with attending larger shows. We want you to have a safe and prosperous visit to our show. Please let us know in advance of any special needs that may require our assistance or attention. Lastly, we thank and appreciate your support. Without you none of this happens! Safe travels.

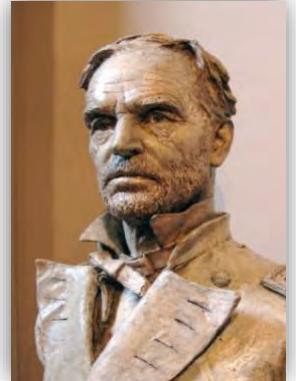

## Inaugural Debut - Civil War Money & Memorabilia Showcase

At the Spring PAN Coin Show -- May 19-21, 2022

Contact: Rick Lank or Rebecca Rush - cell 240-625-2583

The Inaugural **Civil War Money & Memorabilia Showcase** event will be held at the PAN Coin Show in Monroeville, PA from May 19<sup>th</sup> through 21<sup>st</sup>. The CW Showcase will feature exhibits, displays and talks -- each featuring collectible items from the era – including coins, paper currency, scrip, tokens, and more.

A special theme will involve the unexpected connection between the tragic sinking of the doomed **SS Central America** and the life of **General William T. Sherman** before the Civil War broke out. “In the mid-1850s, Sherman was in San Francisco – a rising star in banking during the Gold Rush era,” said Rick Lank, author and organizer. “His banking concern, Lucas & Co., dealt with the prominent assayers who provided banks and the federal government with gold ingots.” Gold was shipped east via Panama on paddle-wheelers such as the **SS Central America**.

Among the speakers being lined up for the Showcase, a featured guest will be **Bob Evans** – who has been the chief researcher and curator for the SS Central America and its enormous “**Garden of Gold**” that was found 8,000 feet under the Atlantic in the late 1980s – the treasure included over 2 tons of gold ingots and San Francisco minted gold coins that were lost at sea in 1857. This loss – estimated at \$50 million in today’s dollars -- had a tremendous impact on the nation’s economy, as it was intended to be a special reserve to stabilize an already rocky banking community.

That maritime disaster set off the “Panic of ‘57” and indirectly caused the collapse of several banks – causing “Uncle Billy the Banker” to lose his second banking job and sank his career in finance. Subsequent events then catapulted Sherman to New Orleans, just in time for Louisiana to secede and jettison “Uncle Billy” Sherman into the War... and the history books. **General T. Sherman reenactor Kris Gunvalsen** will be appearing on Saturday May 21<sup>st</sup> at 1:00pm.

According to Rebecca Rush (pictured on right, discussing the Treasury Girls with Abe), one of the organizers, there will be talks that pertain to the role that President Abe Lincoln had in financing the Civil War, including introducing women employees into the US Treasury Department in a big way (known as the “Treasury Girls”) and authorizing three new mints at the height of the War. And we will “follow the money” as the Confederate Treasury Train trundled from Richmond, Virginia to Georgia in April and May of 1865– dispensing gold, silver, CSA paper money, and bonds along its route. (General Joe Johnston, who surrendered to General Sherman, in North Carolina, converted many silver pesos into CSA mementos as part of his last payroll.)

An invitation to participate in the Showcase has been extended to the National Civil War Museum in Harrisburg, PA. The organizers are a 501(c)(3) non-profit organization called “No Small Change.” Contributions to the educational mission of the non-profit are welcome. Sponsors for the CW Showcase event are also being sought and sponsors will be recognized on promotional materials.

More details about the activities and participants will be forthcoming.

We at PAN were saddened to learn of the recent passing of longtime dealer and numismatist **Jim McGuigan**. He peacefully passed on March 10, 2022, with his loving wife, Claire by his side. Jim was born in Pittsburgh to the late James and Helen McGuigan. Beloved husband of Claire A. Stitzell-McGuigan. Special dad of Theresa (Ben) Edwards. Coin Pappy of Timothy and Khloe Edwards. Dear brother of David McGuigan of Wilmington, Delaware. Jim was a graduate of Edgewood High School. He then attended Carnegie Mellon University (BS), University of Chicago (MBA), University of Pittsburgh (PhD). He was a Professor at Wayne State University School of Business. Jim was a member of St. John Fisher, Churchill, Pa. Among Jim's many accomplishments was traveling, co- author of two books; Contemporary Financial Management, Managerial Economics. Among all things Jim was a serious Numismatic enthusiast. He will also be missed by his dog, Sunny and many friends. Jim was laid to rest at Restland Memorial Park, Monroeville, PA. Donations can be made to the Allegheny General Cancer Institute.

PAN President, Tom Uram makes a deal with NGC for **hand signed signature labels**. Tom's notoriety has increased with his instrumental work on the creation of the 2021 Morgan and Peace Dollar coins, his term as chairman of the Citizen's Coinage Advisory Committee (CCAC), and as past American Numismatic Association Governor.

The coin at right is one of a number of Uram signed labels. **BullionSharks.com** is the marketing distributor for the coins. Tom has been signing labels for the past month. He states that the demand has surprised him. Signed slab labels have become very popular over the past few years with a number of prominent numismatists, designers, and engravers participating in this latest trend.

**Update: Unfortunately Kim had to cancel because of a family matter.**

**American Numismatic Association Executive Director Kim Kiick** will be attending the PAN Spring Coin Show. She is very excited to be able to be a part of the PAN show and will have an ANA table on the bourse floor to promote membership and dealer participation at the August 16 – 20, 2022 World's Fair of Money in Rosemont, IL.

Kim recently attended a number of coin shows on the west coast and was surprisingly please at the welcome reception that she graciously received.

She will be happy to answer questions concerning all that the ANA has planed for the remainder of 2022 and 2023 especially concerning the 2023 World's Fair of Money scheduled for Pittsburgh, PA.

PAN will hold another wonderful banquet in conjunction with the Spring PAN Show and Kim will be our guest speaker. We are changing our venue this time to the very elegant and historic Grand Concourse Restaurant. It is slated for Thursday evening May 19<sup>th</sup>. Save the date as it will be another good one! *More banquet details on page 8.*

Why not have your Amazon purchases help to benefit PAN? The PAN Foundation is an eligible charity to receive funds from the Amazon Smile program. Many of our members are getting onboard by designating PAN as a favorite charity of choice in their Amazon accounts. By doing so, it will not change any of the great deals, discounts, free shipping, etc. that you are currently receiving.

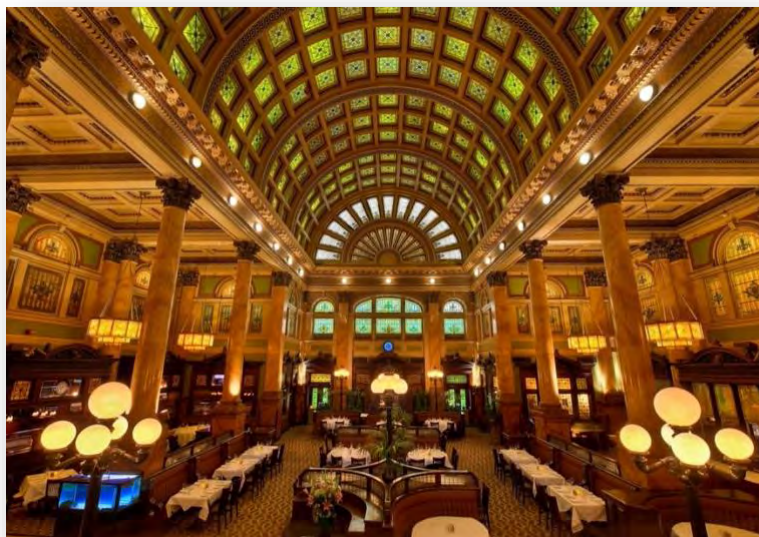

How do I do this? Sign in to smile.amazon.com on your desktop or mobile phone browser. From your desktop, go to Your Account and select the option to Change your Charity. Or, from your mobile browser, select Change your Charity from the options at the bottom of the page. Select a new charitable organization to support.

**PAN Volunteers** are always welcome and needed at our coin shows. Set up and tear down days are the most critical. It can be very gratifying to learn what it takes to be involved in a major coin show. *Ben Franklin once said, "Tell me and I forget, teach me and I remember, involve me and I learn."* If you think you would like to offer some of your time to help then please contact us at [pancoins@gmail.com](mailto:pancoins@gmail.com)

The **PAN Spring Banquet** will take place on Thursday evening May 19<sup>th</sup> at the elegant and historic Grand Concourse Restaurant in the city of Pittsburgh, PA. The PAN banquets have been a lovely with great food, entertainment, and company so we have decided to hold one during our May Coin Show.

**The Grand Concourse at Station Square** is housed in the beautifully preserved Pittsburgh & Lake Railroad Station at the south end of the iconic Smithfield Street bridge. It certainly evokes the gilded age when railroads were king with the stained glass vaulted ceilings, marble columns, and dramatic staircase. We are excited to switch it up this time.

We will have a shuttle coach depart the DoubleTree by Hilton convention hotel in Monroeville to comfortably take guests to the banquet and return to the DoubleTree before 11:00pm in plenty of time to be rested for the next day on the bourse floor.

Tom Uram will be our toastmaster as he does so well. Kim Kiick will be our guest speaker. Abraham Lincoln and Ben Franklin will attend and deliver a few remarks. We may have other fine guests that will gift us with a few words of numismatic wisdom or tall tales. There are still a few slots open. Purchase your dinners online:

<https://pancoins.org/product/spring-banquet-filet-mignon/>

PAN will hold a **Silent Auction** again during the May Coin Show. We did it last October and it proved to be very popular and successful under the guidance of PAN Member Mike Drabick. This time it will be set up at the PAN Table 119 on the show floor.

John Mercanti has generously donated two of his signed plasters to PAN. One is a beautiful relief bust of President Ronald Reagan. The second is the 1792 Half Disme relief also hand signed. They are both quite impressive. All auction proceeds are used for PAN's numismatic educational outreach.

There will be other great numismatic items placed throughout the weekend that are donated by our attending dealers! Bid strong and often!

**Organize a Charter Coach to the PAN Coin Show** – PAN will help coin clubs with the cost of a charter coach to our May 19 – 21 PAN coin show at the Monroeville Convention. We will contribute \$300 check upon your coin club's arrival to help off-set the cost. The PAN Shows have become a very large regional coin show with a national level vibe. Our growth has been phenomenal the past couple of years. Many club members are elderly and a coach rental is the perfect solution to have an enjoyable, worry-free day. We want our coin shows to be more accessible to everyone. This is a perfect solution. Please email us at [pancoins@gmail.com](mailto:pancoins@gmail.com) if you have any questions or need help.
