

PAN's Living American History Program

The Pennsylvania Association of Numismatists

Pennsylvania Association of Numismatists is pleased to announce the creation of **PAN's Living American History Program!** We are seeking funding for this new and innovative endeavor that will allow these historical reenactors to appear at all major coin shows across our Great Republic. The goal is to spawn learning and enthusiasm through live interaction with these **Living American History** personalities.

Benjamin Franklin (Patrick McBride), Abraham Lincoln (Dennis Boggs), and George Washington (Curt Radabaugh) encourage young people, home schoolers, Colonial and Civil War reenactors, and all history enthusiasts to come greet, chat and take photos. They are eager to talk about their time in history and reference the numismatic influence of their day.

Checks may be made out to *PAN Foundation* and mailed to the address below or go to www.PANcoins.org and click the "Donate to PAN" link. PAN Bourse Chair, **Ed Hammond**, *Running Bear Coins* is the **PAN's Living American History** fundraising chairman.
