Our Fall Coin Show will take place very soon. A public attendance record was recorded at the previous Spring PAN Show and we hope that this one will do the same. Put down the leaf rake for a day and come to the Monroeville Convention Center to experience a major numismatic event. Admission and parking are free, so you are able to spend all of your hard-earned cash on rare coins, medals and paper currency. We have nearly 200 dealers from all parts of our great country converging to offer a wide variety of numismatic material. If you are a PAN member, then you have a one-hour early access to the show floor before the public enters. Can't find your membership card or are not sure if you are paid up? No problem, we have a membership roster on site and can look you up and will accept dues payments to get you in early. Scroll further in this issue for more coin show highlights. Our PAN website:

Why should I renew my PAN Dues?

1. You will continue to receive The Clarion magazine that is full of great numismatic articles and information.
2. PAN Membership allows you one-hour early access to our Coin Shows before the public enters.
3. PAN is at the forefront at keeping PA a Sales Tax free state on coins and bullion.
4. PAN leadership is active in bringing the American Numismatic Association World's Fair of Money to Pennsylvania. It will return to Pittsburgh in August of 2026.

2024 PAN Dues Notices will be sent by mail in November. You can help PAN to save printing and mailing costs by mailing your renewal payment early to:

PAN
1985 Lincoln Way
Ste 23 #225
White Oak PA 15131

Or pay online using the PAN website:
PANcoins.org

You can help us save printing and mailing costs by paying your 2024 PAN dues at our PAN Fall Coin show. Our membership cards change each year with a coin that was produced the previous year.

The 2024 PAN Membership Card will feature the 2023 First Amendment to the United States Constitution Platinum Proof Coin. The 2021-2025 5-coin series features a new obverse design each year of issuance. From the U.S. Mint: *"These 99.95 percent platinum proof coins reflect the five freedoms enshrined in the First Amendment—*

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of people peaceably to assemble, and to petition the Government for a redress of grievances."

*This series uses the lifecycle of the oak tree from seedling to a mighty oak as a metaphor for our country's growth as a Nation that values freedom. Liberty grows to a thing of strength and beauty from a seed—our Bill of Rights. Each of the freedoms enumerated in the First Amendment contributes to the growth and development of the Nation. The third coin in the series is the 2023 First Amendment to the United States Constitution Platinum Proof Coin – **Freedom of the Press**.*

The obverse design portrays the branch of a mature oak tree with acorns amid the inscription "WITH FREEDOM OF THE PRESS LIBERTY BEARS FRUIT." Additional inscriptions are "IN GOD WE TRUST," "E PLURIBUS UNUM," and "2023." It was designed by Artistic Infusion Program Designer Donna Weaver and sculpted by United States Mint Chief Engraver Joseph Menna.

The common reverse design for this coin series depicts an eagle in flight, an olive branch in its talons. Inscriptions are "UNITED STATES OF AMERICA," "\$100," "1 OZ.," and ".9995 PLATINUM."

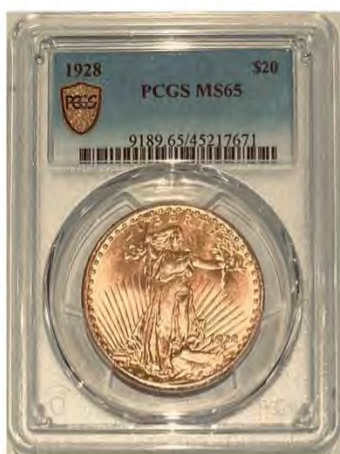

You may take notice that our 2024 membership card bear my signature as our new PAN President, Patrick McBride. Our current PAN President, Thomas Uram will pass the gavel during the Fall Banquet. Tom has taken on his new position as American Numismatic Association's President with great enthusiasm. Subsequently, it has taken a lot of his available time and he didn't want to let PAN down and decided to not seek another term. Tom and I have worked tirelessly to keep PAN strong and viable over the past ten plus years. Tom plans to still stay involved with PAN and now we have a direct conduit to the ANA. I think it will be a win / win for all of us I am looking forward to a bright future.

I was particularly pleased to have this coin chosen for our membership cards during my first term as the new PAN President. Admittedly, my role as Ben Franklin surely had an influence in the selection. Support PAN – Renew or Join

You may also Join online and receive the 2023 card and the 2024 card since we are now in the fourth quarter:

PAN's Living American History Program

The Pennsylvania Association of Numismatists

Pennsylvania Association of Numismatists is pleased to announce the creation of **PAN's Living American History Program**! We are seeking funding for this new and innovative endeavor that will allow these historical reenactors to appear at all major coin shows across our Great Republic. The goal is to spawn learning and enthusiasm through live interaction with our **Living American History** personalities.

Benjamin Franklin (Patrick McBride), Abraham Lincoln (Dennis Boggs), and George Washington (Curt Radabaugh) encourage young people, home schoolers, Colonial and Civil War reenactors, and all history enthusiasts to come greet, chat and take photos. They are eager to talk about their time in history and reference the numismatic influence of their day.

We would also be willing to substitute your company name in stead of PAN's if a significant donation is made to fund are reenactors at a PAN coin show or another major coin show. Your company would be visable with a large banner above our Living History backdrops and would be featured in media releases and publicity photos. Contact us and let us talk: PANcoins@gmail.com

Checks may be made out to *PAN Foundation* and mailed to the address below or go to www.PANcoins.org and click the ["Donate to PAN"](#) link. PAN Bourse Chair, **Ed Hammond**, *Running Bear Coins* is the **PAN's Living American History** fundraising chairman.
